A Word from Dave

As you all know we have had a tough spring and the weather has slowed up our normal opening procedures. Please be patient, we are working hard to finish things up. It is still very wet on the lawns so please no automobiles or golf carts. We will continue working toward the opening, taking care of safety, health and then the cosmetic issues.

All golf carts are ready to be picked up.

If you have any items stored in the clubhouse please have them removed. We need to get the clubhouse ready for our opening meeting on May 17th.

I truly would like to welcome everyone back for another great season

Dave

A Word from Theresa

As we start this new season at Blue Haven I want to welcome everyone back and to take a moment to say welcome to all of our new additions'. I am looking forward to another great season and hope you are as well. We should all thank Dave and the crew for doing such a great job on getting the park open despite the rainy weather. We're hoping to have wonderful weather from here on out and lots of sunshine. See you all soon.
