

June 2, 2017

We had a couple nice days this past weekend. Here's hoping this is the start of a trend and this coming weekend will be great.

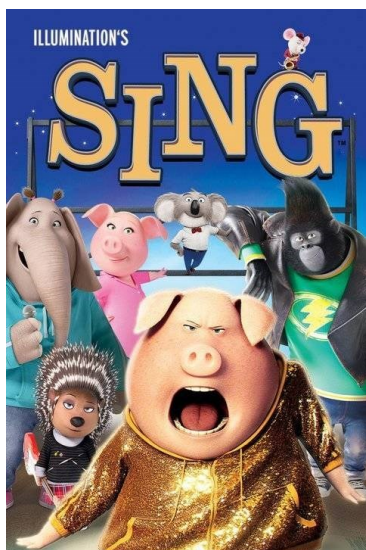

Events for This Week:

Friday, June 2nd:

- **7:00 pm: Horseshoes** - Everyone is welcome to come and join in the fun. Located at the horseshoe pits near the clubhouse.
- **7:00 pm: Texas Hold'em** - Everyone is welcome to come!

Saturday, June 3rd:

- **50/50:** Your sellers will be going door to door.
- **10:00 am: Opening Meeting** - At clubhouse, all are welcome.
- **10:00 am: Adult Softball** - We will start the first game of the season this week, weather permitting. Everyone is welcome to come and join the game.

- **8:00 pm: Movie Night** - It's Back! Blue Haven's first movie night of the season! We will be watching "Sing". If you haven't seen this movie you have to attend! It's about koala Buster Moon and how he presides over a once-grand theater that has fallen on hard times.

An eternal optimist, and a bit of a scoundrel, he loves his theater above all and will do anything to preserve it. Facing the crumbling of his life's ambition, he takes one final chance to restore his fading jewel to its former glory by producing the world's greatest singing competition. Five contestants emerge: a mouse, a timid elephant, a pig, a gorilla, and a punk-rock porcupine. The location will depend on weather, but we hope to have it outside near the Clubhouse. If it rains it will be in the Clubhouse at 7:30pm. We look forward to seeing you!

Update on Events:

Welcome Back Dance: Considering the weather and the number of campers at Blue Haven this weekend, the dance was very well attended. One camper commented, "the music is great, the drinks are cold, so let's make the best of a wet situation."

Memorial Garden: On this rare sunny afternoon, we had a great group of campers remembering loved ones. Thank you to Hunter Labombard, Theresa Tourville and Jacob Allen (BHC staff) for helping with the set up. We would also like to thank the ladies that planted the flowers: Sherry Lavalley, Karen Atchison and Francine Cantwell. They planted over 60 geraniums in the garden!

A Special Thank You: To Pat Bleau & Nancy Roberts, thank you for the beautiful flowers that greet us as we enter and leave the campground. Thanks to these special ladies for tending our flowers with tender loving care. Thanks from your fellow campers and the staff at Blue Haven.

Some Reminders:

- We are aware that our Canadian campers are not allowed to bring fresh fruits and vegetables across the border. We want to let you know that Varin's Market is now carrying a good assortment of fresh produce. You might want to stop by and take a look. They are local and the prices are competitive.
- We are asking all of our seasonal campers that have pets to please come to the office. We need you to sign the pet policy and give a copy of your updated shot records for our files. Please do this as soon as possible.
- If you would like us to put something in the Gazette it needs to be submitted to us by no later than 12:00pm on Tuesday.

Parking on Empty Sites: We are asking all of our campers and guests to not park on any of our empty lots. We have several reservations for the weekend and it makes it hard and time consuming for us and our guests coming in if we have to go looking for someone to have a vehicle moved off a site.

Visitors: Guests, extended family, friends, or contractors must register at the Camp Store. There is NO CHARGE to register prior or upon arrival. If your guests pass and have to be asked to register, there will be a \$5 per

person, per day charge.

Contractors: Contractors must obtain written permission from the campground management prior to performing any service with the campground. They must supply the following:

- \$45 registration fee.
- Business license.
- Sales tax certificate.
- Certificate of Insurance that must list Gunboat Rock Campground, Momot Trailer Sales, and John Momot.

Contractors that don't comply will be asked to leave immediately.

Vehicle Parking:

- A maximum of 2 automobiles may be parked at a site. Additional parking is available at the Camp Store lot.
- A maximum of 1 golf cart per site.
- Power boats on trailers may take the place of one of the cars allowed on the site.
