Site Rent

All site rent for 2019 must be paid by June 1st. While there are only a few accounts left at this point, this number is growing and it is not fair to the rest of the campers that make their timely payments. Please stop by the office at Blue Haven and speak to Tim or Dave, or at the Plattsburgh office on the Tom Miller Road and speak to Darcy or Elaine to check overdue balances and avoid future interest charges. Any accounts that are not current by July 1st, will not be allowed to utilize the campground facilities without approval from John Momot.

Statement of Account

Elaine has worked HARD throughout the winter to be able to clean up some "behind the scenes" stuff which will allow us to print you a current statement. Bear in mind that this is a Running Balance. For example: your entire site rent would be posted in the fall and even though you selected a payment plan, your statement will show everything not paid at the time of the statement.

Familiar Face

By now most of you know that Tim Mitchell who has taken over for Theresa this Spring. Tim has worked for the company for almost 14 years in several capacities and hopes to put his knowledge of the industry to good use serving our guests here. He is still learning the ropes and has some BIG shoes to fill. Welcome Tim!

Spring Power Bills

The meters were read toward the end of April and all have been posted (except a few stragglers that we need to look into). Please stop by the office and settle up.

The Volunteer Activity Committee has published the Activity Calendar for the 2019 season and it is available in the Camp Store. Special thanks to the Committee Members for all of their support and dedication to making our summer home so enjoyable.
