

Memory Garden Memorial Service

The 2019 Memory Garden Memorial Service was well attended. This annual event gathers family and friends in remembering a lot of folks who have gone before us. Please take the time to check out the garden planted with several flowers planted to honor them. A very special **THANK YOU** to all of you who showed up and also to those who helped make this event a success.

Thank You! Your pride in your Home Away from Home is what makes this place SO special. I truly feel like I am a part of a much larger family since moving into camp! The community atmosphere along with a general helpfulness is second to none.

Lost: We had one of our furry campers lose something off from his collar on one of his walks around the campground recently. It is a small metal tag with "Brossard" on it. If you happen to see this in your travels, bring it to the office so it can be reunited with its owner.

Found: This was found down by the lake by the Boat access area the other day, what are the chances of reuniting it with its owner? I know it's not much of a thing, but I'm sure it has special meaning for someone.

SPECIAL EVENT AT BLUE HAVEN

Imagine yourself at age 25 and standing on stage at a BLIND AUDITION for The Voice. You find yourself staring at the BACK of the heads of the ROCK STAR judges - including: Kelly Clarkson, Adam Levine, Blake Shelton, and John Legend. Your heart is beating out of your chest as you start to sing "Beautiful Crazy" wondering if it will be enough but even before you get to the chorus, Adam Levine and Kelly Clarkson both spin their chairs around! This was just the beginning for **Andrew Jannakos** from Flowery Branch, Georgia. Along the way being coached by Adam Levine, he got quite far before being eliminated in some of the later rounds of this season. Andrew comes from a large Greek and Italian family where everyone loves to sing. Three years ago, he tried an open mic night and convinced himself to take music more seriously. He planned to move to Nashville, but two weeks before the move, his father and grandmother were each diagnosed with cancer. Andrew immediately abandoned his plans and stayed home to prioritize his family. Soon after, Andrew met his girlfriend, Katie, and her two-year-old son. Andrew strives to be a good role model for his girlfriend's son and to make his family proud by performing on "The Voice." With some special thanks to a lot of people, Andrew will be here to perform for our Blue Haven Family on Saturday JUNE 15th at 8pm in the Clubhouse - this could be a ONCE-IN-A-LIFETIME opportunity for some of us so come on out and show your support for this young artist with a VERY bright future.
