

Friendly Reminder Please run all refrigerators and water heaters on propane. This will not only save you money on your electric bill, it will also help our electrical system. With the high temperatures that comes with summer, it is very important to follow our guidelines on this. Please DO NOT try to run your A/C units and charge your golf carts at the same time. This time of year, our electrical system can't keep up. Run as much as you can on Propane and unplug cart chargers during high consumption times. Your cooperation is appreciated. If you have ANY questions regarding this, please see Tim in the office.

Wildlife: Do not keep household garbage at your site even if it is in a covered can it will still attract unwanted visitors. We have had a lot of concerns with the number of skunks and raccoons around. Your cooperation is appreciated.

Thank You - The family of Cathy Boulerice would like to thank everyone who donated to the Bake sale and purchasing bracelets for Jocelyn Ducharme. It is greatly appreciated.

50/50 Volunteers Needed - The Committee is in search of substitutes to help fill in for when our regular sellers are not available. Please see John Gagnon at 21 Michelle

Each year at Christmas they disrupt the Grinch's tranquil solitude with their increasingly bigger, brighter and louder celebrations. When the Whos declare they are going to make Christmas three times bigger this year, the Grinch realizes there is only one way for him to gain some peace and quiet: he must steal Christmas. To do so, he decides he will pose as Santa Claus on Christmas Eve, even going so far as to trap a lackadaisical misfit reindeer to pull his sleigh. Meanwhile, down in Who-ville, Cindy-Lou Who-a young girl overflowing with holiday cheer-plots with her gang of friends to trap Santa Claus as he makes his Christmas Eve rounds so that she can thank him for help for her overworked single mother. As Christmas approaches, however, her good-natured scheme threatens to collide with the Grinch's plan. Will Cindy-Lou achieve her goal of finally meeting Santa Claus? Will the Grinch succeed in silencing the Whos' holiday cheer once and for all?

Cindy and I would like to thank Fred Porter for dropping the ducks up the river, Addison Fernyea, Landon LaBarge, Jackson and Molly Climan and all the others to help retrieve the little "devil ducks." Thank you, Cathy Slater for taking photos for us. Thank you, Chantel and Ashley Bremner along with Trinity Allen for all your work drying, counting, and boxing the ducks for storage. If anyone comes across any stray "devils" please leave them on the picnic table at 20 Michelle. About 95 ducks are still missing in action. Even through a downpour or barbecue lunch went on with just a slight adjustment. The lunch was served in the clubhouse while the BBQ'ers carried on their work. Many thanks to all our BBQ'ers, runners, and servers: Todd Smith, Wayne Predient, Bob Craig, Jim and Kell Gingera, Bill and Flo Dempsey, Phil Fernandez and Hailey Hamblin-Watmore, Danny Murphy, Francine Cantwell, Robin Dalton, Randy Moores, and myself. The rain did not stop Cindy Smith or Sheila and Bob Craig from preparing and serving "Cindy's Special Margaritas", beer, or soft drinks to our thirsty campers while Carol Davies and Alison Cardin served the popcorn and slushies. Thank you, Flo, Randy, Phil, Wayne, and Melissa, for solving the problem with the machine so our campers would enjoy the slushies! Due to the weather, the "5-in-1" Bounce House was delayed but thanks to Shawn and Bill Davies for their patients, the children did get to have some fun. Thank you also Cathy Jewtraw for always being available to help in any way you can. All the above have volunteered for many events at Blue Haven over the past several years and they are much appreciated. Thank you to Dave Bechard and his crew who certainly played a big role in the success of this event.
