### Interesting Campers on the Sales Lot:

There are a few new campers in the line-up by the office! Feel free to stop by to check them out! They are unlocked during office hours. We have quite the variety here - even a fishing shanty! As of right now we have Nate Arseneault that will be here this weekend to answer your questions about not only the campers here on our lot, but also in the Plattsburgh office. There is NO better time to buy, and why buy from anyone else but the experts. We specialize in what you camp in! If nothing else, swing by and introduce yourself to Nate and show him how friendly we all are up here!

### Get out to Nature on World Photography Day!

World Photography Day is August 19th. Watching or photographing wildlife is a great way to connect with nature and spend time outdoors. You can even find things to photograph in your own backyard or local park. Here are some wildlife watching guidelines and photography tips:

- Use a long-range lens to avoid getting too close to wildlife.
- Stay on existing roads, trails, or pathways to avoid trampling vegetation.
- Avoid flushing or disturbing wildlife when watching or photographing them, and NEVER purposely chase wildlife!
- Keep quiet, move slowly, and be patient. Let animals come to you.
- Visit wildlife refuges, watchable wildlife sites, and other public natural areas.
- Photograph small things and get down to the subject's level.
- Have fun with camera filters and settings.

**Kids Halloween Party** - Trick or Treat! There were no tricks at this year's Blue Haven Halloween Party! Instead there were lots of treats and fun to be had by all the kids. We had 160 kids attend with almost everyone wearing a festive costume!

Activities included games, crafts, and even some treats. Our treats were hosted by Linda Thompson & Robin Boswell Bressett! Each party goer enjoyed treats like the delicious cupcakes that were donated to us our local Sam's Club, fruit, chips, drinks, pudding and each child took away a Halloween S'more! A special thanks to Adirondack Penny Saver for donating the printing of the activity cards for all the participants and the label for the Halloween S'mores and to Ashley Bushmoore for getting them done on such a shore timeline.

Those who played the games had lots of fun! Our game volunteers helped with games like Catch the Spider by the Web - Alex Cone, Olivia Lapoint, Feel Factor - Lori Boyle, Marlene Catherine, Zombie Eyeballs - Jamie Rhoden, Alexis Welch, Oreo Cookie Crawl - Brian Keith, Anthony Biasini, Halloween in Motion - Cathy Jewtraw, Joseph Herzog, Casper's Bag Toss - Ken Murphey and Doris Degler.

In addition to the games the trick or treaters were able to make Halloween Crafts and were assisted by Florence Bradley and Melissa Dempsey.

Thank you to Cindy Baxter Smith, Alyssa Zuckerberg, Lauren Garrow, and Paige Trudo for assisting with decorating and prepping for the party. Thanks to everyone who helped make this a huge success especially Chris Garrow...the amount of planning and time spent is well worth the kids enjoyment and happiness but it

could not happen without your help! For those who I forgot to mention, but regardless of what you did big or small, set up or tear down, a BIG Thank You because with out each and everyone of you these events would not happen or run so smoothly!
