office.

We need to have all contents removed by May 1st to allow us to clean and get ready for opening.

WOW! What a Season!

With the season coming to an end, we can all reflect back on the year we've had, and we can all find something that made this season spectacular to each of us. Was it the weather? Was it that you made a new friend? Caught your first fish?

Comments made about Blue Haven I just want to point out a few comments that I continue to hear year after year:

- **"What a BEAUTIFUL campground you have!"** Mother Nature has blessed us to have the North Branch of the Great Chazy River running through the park and the beautiful scenery that goes along with that. To augment that fact, this would not be possible without each of YOU for keeping your own areas looking wonderful and our Team keeping up on the common areas.
- **"Everyone is SO friendly here"** - again, it is YOU - our campers that make this one possible! People that even stay for a night or two are made to feel like family!
- **"There is always something to do!"** this is because of our Volunteers and our Volunteer

Activity Committee and their countless hours of preparation that goes into each of these events.

Don't believe me? Here are some actual comments from Google Reviews:

- Great place to camp. Lots of activities and nice pool. Carole McKee
- We had a great time at Blue Haven. The park was nice and the people were friendly. Stephen Y
- Great community feel, secluded yet close to stores too. Christopher Grizzle
- Great family campground. We loves the beautiful well kept grounds. If you love fishing walking and relaxing this is the place for you. There are activities almost every weekend if you are looking for something to do. Wonderful place to spend the summer months. Dee K
- The customer service immediately impressed me. This campground is huge and seemed to have many seasonal campers, but our overnight visit didn't seem to deter their friendliness and hospitality. Would love to go back for a longer visit. We were only there overnight as we were in the area for a wedding.

BLUE HAVEN PRIDE We are proud to be part of such a special place. Our setting is hard to match with all of the natural beauty. There are so many great families that help keep Blue Haven special. We ask that you all please follow the guidelines that we have in place so Blue Haven can stay in a category of it's own. We ask that you keep everything natural, **See Site Appearance in the guideline book.** Also while mowing your lawns we ask that you also keep it trimmed. We would appreciate everyone's cooperation. Please see Dave in the office with any questions.
