

Thank you for your kindness

We continue to hear of so many POSITIVE comments about from our guests about how the season so far. We know that this is not an ideal situation for anyone involved. None of us had ANY control over the current state of affairs, but one thing is certain - we CAN control how we deal with it! We would like to thank each and every one of you for doing YOUR part by staying positive, and staying safe!

Other Reminders

- **Gathering Areas** remain CLOSED.
As the phases progress from our plan, stay tuned to Facebook and the sign board for updates
- **Social Distancing** is the KEY factor in keeping the park OPEN. Please remain 6 feet apart, good handwashing, and wear your masks!
- **Limited Gatherings** - We are still limiting gatherings to 10 within the park.
- **Speed Limit** - For the safety of other guests and especially our younger guests, please respect the 5MPH speed limit at all times.
- **Dumpsters** - The dumpsters here at Blue Haven are for use by our guests and for only trash generated within the park - please do not bring trash from home.
- **Respect Others Property** - While we do have a close knit family of guests here at camp, we need to respect each other's property. This includes (but not limited to):
 - Don't take shortcuts through someone else's site simply to save a few steps.
 - Do not fish from someone's lot without permission.

Update on the Pool:

We have begun the process of opening the pool and making some repairs. The pool is slated to be a part of Phase 4, so keep our fingers crossed that people social distance enough to keep this on track! If anyone locally knows someone qualified to be a Lifeguard, have them contact the office.
