General Park Reminders

While our campground is not as busy as normal, we still need to comply with the guidelines set forth in our **Policy Handbook** (available in the office or send an e-mail to tm@momot.com if you would like one e-mailed to you).

- **NO LITTERING** - respect those who have to clean the park on a daily basis by placing trash in a garbage receptacle
- No Sprinklers - Our water system is not designed to handle lawn sprinklers.
- Privacy: Please respect the privacy of your neighbors by not walking across their site. Please remind your children of this policy.
- Only **TWO** vehicles are allowed per site.
- **ALL** guests must register with the office.
- Please clean up after your pets.
- **ALL** pets must be leashed at all times.
- Not all people are pet lovers, please respect them. This is why pets are **NOT** allowed in the common areas
- Speed Limit = 5MPH
- Children 14 and under are required by NYS to wear a helmet when riding bicycles.

URGENT ELECTRICAL REQUEST

- **PLEASE** run your water heater on propane.
- **PLEASE** run your refrigerator on propane.
- **PLEASE CHARGE CARTS AT NIGHT.**

Our guidelines state that our electrical system is designed to supply basic electrical usage only.

We **DO NOT GUARANTEE** that every site will be able to run air conditioning. Please help us out so we can all have an enjoyable weekend. See Dave or Tim with any questions.

BHC Pool Guideline COVID Supplement

The State and Local Public Health & Safety agencies have granted us permission to open the pool as long as we follow their guidance. Our community needs to work together to keep it open and stop the spread of the COVID. Please do your part and cooperate with the pool operation guidelines below and enjoy! We are all in this together.

- Before heading to the pool feel free to contact the office to ensure that the pool is not already at maximum capacity.
- The pool is available for use only during office hours unless a lifeguard is on duty.
- Everyone **MUST** sign into the pool area - **NO** exceptions! The sign in sheet will be at the entrance to the pool.
- Everyone entering the pool area **MUST** sanitize their hands.
- Practice social distancing in and out of the pool, by maintaining a distance of at least 6 feet in between guests.
- If within 6 feet of any individual, a face covering that covers both the nose and mouth, **MUST** be worn.
- For your own safety, do **NOT** wear a face covering while in the pool!
- Children 16 years of age or younger, must be accompanied by a parent or guardian over 18 years of age.

The guidelines noted above are designed to supplement the policies already in place as **ALL** Pool Rules and Regulations still apply!

Please refer to your Policy Book.

Christmas July 25th In JULY

During these frightening times, it becomes increasingly difficult

for the children in our Blue Haven Community to understand every-

thing that is going on. With that being said, some volunteers within the park have gotten together to help bring back something familiar to their Summer routine while continuing a long-standing tradition of decorating our sites in preparation for a visit from Santa himself!

Christmas Decorations: We ask those that can, to decorate your own site! Deck them out! Let's put a huge smile on our kiddos faces! They need it this year!

Christmas in July Golf Cart Parade! Those of you interested in participating, feel free to decorate your cart to show off through the park! Please meet up by office between 8:15pm and 8:30pm with a start time close to 9pm! As soon as it's dark enough for our carts to shine! Due to the COVID restrictions, there will be some changes this year.

- We will allow ONLY Golf carts, no bikes or walkers!
- Guests participating in the Parade **MUST** stay on your golf cart throughout the parade!
- Social Distancing will be the key to making this a success.
- Even though we will be outside, please have your mask with you. In the event that a 6' distance can not be maintained, you are REQUIRED to wear a mask.
- If you get off your golf cart prior to the start of the parade, you will need your mask on! Please maintain 6 foot distance while
- If you are not in the parade you must remain on your own site to watch the parade. The parade will go down all roads!! No gathering on the corners or at other campsites!
- Since Santa can't gather with us all this year, please feel free to bring your kiddos a gift from Santa to leave out in the morning in your camper.
- There will be NO prizes this year for either the parade or decorating sites.
- Please remember to take plenty of photos to share

on our Facebook page so that our families unable to attend can enjoy this from a distance.

This will be different for everyone involved. Help do YOUR part to help make this adventure a SUCCESS and put some BIG smiles on the kids faces!

On behalf of the children of our community, a very special THANK YOU to both the volunteers and those participating for making this a special weekend for our kiddos!

Frogs N' Flies

It seems there were two frogs sitting on a lily pad, when all of a sudden, a fly came along. One frog put out his tongue, ate the fly, and started laughing hysterically. Soon the other frog joined in the laughter. Later in the day, the other frog ate a fly and the two frogs burst out in laughter. As time went on, the frogs enjoyed the flies so much that the sight of a fly would cause them to double up with pleasure, but the most pleasure came when the fly was actually eaten. A third frog jumped up to the first two and asked what was so funny. The first frog answered "Time." "Huh?" asked the third frog? The third frog explained:

"Time's fun when you're having flies!"

Windoku - A Sudoku variation

This game is played in the same fashion as regular Sudoku with the added restriction of the four boxes where numbers also can ONLY hold one of each digit 1-9.
