Kid's Bingo Update

With the help of a few community Volunteers, we were able to have a successful Kid's Bingo last weekend. With 23 kids playing, we had a many winners and a lot of smiles! Thank you to all who participated as well as the parents who attended, and especially to the volunteers who helped make this successful.

Movie Night:

Trolls World Tour

August 8th at dusk, up front by the club house, will be the showing of the movie *Trolls World Tour*. There will be marks in the grass every 6-8 feet apart. Children

must be accompanied by a parent **AT ALL TIMES** during the movie! One family per section, and EVERYONE in attendance must wear a face covering coming to and leaving the movie! You may remove your mask ONLY while sitting with YOUR family and watching the movie. You must bring your own snacks and drinks. You must bring your trash back with you. Nothing can be left behind! This will be a trial to see if we can have another movie night in the future if we all can follow all social distancing rules and pick up after ourselves we may be able to host another movie down the road! The movie will be the new trolls movie that just came out this year. Trolls world tour!

Storyline: Poppy and Branch discover that they are but one of six different Troll tribes scattered over six different lands devoted to six different kinds of music: Funk, Country, Techno, Classical, Pop and Rock. Their world is about to get a lot bigger and a whole lot louder. A member of hard-rock royalty, Queen Barb, aided by her father King Thrash, wants to destroy all other kinds of music to let rock reign supreme. With the fate of the world at stake, Poppy and Branch, along with their friends, set out to visit all the other lands to unify the Trolls in harmony against Barb, who's looking to upstage them all.

What makes Blue Haven so Special?

What make Blue Haven so special? Send Tim an e-mail of some of the things that make Blue Haven special to YOU! Is it a special event, a friendship born here? Did you honeymoon here? Did you get married here? I will select some of your submissions and share them in the newsletter. What we think is the core of our wonderful little community is YOU!

Shout Out to our Lifeguard David Griffin

This is David's second year with us here at Blue Haven and has been poolside just about every weekend all summer so far. Thank you David! How many of you realize just how much training goes into becoming a Lifeguard? Depending upon the agency providing the certification, it takes about 40 hours of training, and must be able to meet certain swimming requirements that not just any swimmer can achieve. In addition, to all of this, they are also required to also be certified in First Aid and CPR. Thank you again David for your commitment to keeping our swimmers safe!

Outdoor Recreation is in HIGH Demand

With everything going on in society today, we can't help but notice that people are looking to be outside more now than ever. With long distance travel plans on hold for now and the uncertainty this brings, people are looking to stay closer to home and be outside. This has things like Camping, Biking, kayaking, and boating (just to name a few), growing beyond what could have been predicted.

Health Department Update

We have been in touch with our Health Department for guidance on how to deal with their guidelines while hosting some events. They were able to share that they were impressed with the cleanliness of the park, and the overall cooperation in adhering to their recommendations. Thank you all for your help and we should all be PROUD of this and how it will impact our ability to host future events.

Jigsaw Windoku

We have tried regular Sudoku, and over the last few weeks, we've tried a variation of that called Windoku, I figured it was time to stir things up again with Jigsaw Windoku! Same premise that each of the blocked in areas, greyed out areas, each row, and each column can only contain one each of the numbers 1-9. Let's see how YOU do!
