We Miss You!

You are missed! To our Canadian friends and families, we miss you all! Over HALF of our Blue Haven Community is composed of our friends from across the border. Please continue to stay safe and help stop the spread so we can be reunited with them soon. Every one of our Blue Haven families is what make our campground so special. The comradery and community is what sets us apart from everyone else! We hope to see everyone soon!

Share your Pictures! Let's all rally together and show those families that can't be here some photos of what is going on in the campground. They miss being here and we miss them! Halloween has been a long standing tradition here in our Blue Haven Community sharing some pictures would certainly make them feel like they are with us in spirit! For those new to the campground, there are two Facebook pages that you can share to:

- Blue Haven Family Campground & Resort at:
- <https://www.facebook.com/BlueHavenCampground>
- Blue Haven Campers at:
