Bicycle Safety Tips - Biking has always been a fun hobby of mine and I take safety seriously. I found these Safety Tips and figured I would share them with our campers. PLEASE share them with the younger ones in your family as these rules will help keep them SAFE:

- **Obey Traffic Signs** - Bicycles must follow the rules of the road like other vehicles. Stop Signs and speed limits are for bikers also!
- **Always wear your helmet** - Cyclists 14 and younger are **REQUIRED BY LAW** to wear a helmet when operating a bicycle.
- **Be alert to your surroundings:**
 - Stop your bicycle when using your phone.
 - Make eye contact with other drivers
 - Look out for road hazards
- **Use lights at night** - New York law requires a headlight and a red rear reflector or taillight.

Blue Haven Campground Policy Reminders:

We have a lot of new families in the park this season. We want to remind everyone of a few of our policies here within the park. These guidelines have been set to ensure the **SAFETY** and **ENJOYMENT** of **ALL** of our guests while at Blue Haven. We all need to follow them and here are just a few reminders:

GOLF CART POLICY

Operating Golf Carts in the Campground is a **PRIVILEGE**.

- Absolutely no gas powered golf carts, only electric powered are permitted.
- One cart is allowed per site and it must be registered with the Campground.
- You will be assigned a cart number and you must display that number as follows:
 - Numbers must be at least 3" high in a contrasting color
 - Displayed on two opposite sides (front/back OR side/side)
- There is a \$45 annual registration fee.
- Speed limit within the park is 5MPH for ALL vehicles, cars, golf carts, and bicycles.
- Golf Carts **MUST** be limited to the number of passengers the cart is designed to carry.
- **NO ONE UNDER 16 YEARS OF AGE ARE ALLOWED TO DRIVE THE CART**
- Golf Cart Chargers draw a significant amount of power, so please unplug your chargers when not in use, and especially in high electric use times.
- Golf Carts **MUST** have headlights and tail lights to operate at night.

For those who do not follow the guidelines above. We will take action(s) as necessary:

- 1st Offense: A warning will be issued.
- 2nd Offense: The Golf Cart will be grounded to your site for one (1) month.
- 3rd Offense: The Golf Cart will need to be removed from the Campground.
- **NO EXCEPTIONS**

Our team will be making sure that everyone is following the rules.

For more information, please refer to page 22 of the Policy Handbook.

Neighborhood Site Watch:

We are fortunate that this is **NOT** simply a campground, but a thriving Community. Please keep in mind some of the following and **PLEASE** share these with your younger Community Members:

- Please be respectful to other camper's sites:
 - Do not pass through someone else's site while walking, biking, with a golf cart.
 - Do not park on other's sites
- Please help out by keeping an eye on other sites and campers for other families while they are not here. If you see anything unusual around their site such as an open door, window, or storage shed, Please let the office know.
- If you see someone around a site you feel shouldn't be there, call the office so we can handle the issue.
- If you see something - Say ay something. This will only strengthen our Community while making families know they are safe while they are in the park and that their belongings are safe when they are not here.

NEIGHBORHOOD WATCH

WE LOOK OUT FOR EACH OTHER

July Meter Bills are Ready!

Please stop by the office to settle up for the July Meter Reading.

Site Payments are PAST DUE

With June 1st behind us, we still have a considerable amount of guests that have not paid for their sites in full for 2021. Please make arrangements to get this caught up. It is not fair to the others that pay on time, not to mention there is added interest charges. Just as a reminder, here is a snip of the relevant payment information from the Policy Handbook outlining our site payment policy:

Late Fees

- All site rent is **to be paid in full by June 1st**. This applies to all payment plans. If the site is NOT paid in full by June 1st, a late fee will apply, along with our standard missed payment fees/interest.
- Anyone who does NOT pay their site rent in full by June 1st for TWO (2) consecutive seasons, will see an increase in their seasonal site rent until paid on time.
- 2% interest of the unpaid site balance, will be charged to your account, on all contracts not paid by June 1st. Contracts and fees will continue to accrue interest monthly until the account is current.

ELECTRIC METERS & REIMBURSEMENT

Electric Meters

Meters will be read and bills will be prepared three times per season as follows:

- **Opening Reading** - Usually read in early May which covers any usage from the previous Closing Reading
- **Summer Reading** - Usually read mid-July which covers any usage from the Opening Reading through this Summer Reading - minimum charges apply.
- **Closing Reading** - Usually read mid to early September which covers any usage from the Summer Reading through this Closing Reading - minimum charges apply.
- Power bills will not be mailed, please stop at the Camp store to pay them.

Respect Other Campers in the Park

- Please do not park on other lots - even if empty!
- Do not cross other's lots on foot or with a cart
- Respect the quiet hours as follows:
 - Weekdays 10PM to 9AM
 - Weekends and holidays 11PM to 10AM
- Register your guests: Guests, extended family, and friends **must** register at the Camp store. There is NO CHARGE to register prior or upon arrival. If they pass and have to be asked to register there will be a charge.

Propane can be ordered at the Camp store during business hours. Delivery and hook up is available for an additional fee:

- Are typically done around 12PM and 3PM
- Delivery fees include hooking up the tank and performing a leak check at that connection.
