Terry Fox - By now, most (if not all) of you have heard mention of Terry Fox. For our Canadian families, this is a household name. For our US families, you might NOT know the name - I know I did not. Terry Fox was a Canadian athlete, humanitarian, and cancer research activist. In 1980, with one leg having been amputated due to cancer, he embarked on an east-to-west cross-Canada run to raise money and awareness for cancer research. Terry's personal experience and research led him to a simple conclusion - more money was needed for cancer research. And so, in the modest but motivated style that would prove to be his trademark, Terry started training and planning for his cross-Canada run to raise funds for cancer research. He dipped his artificial leg in the Atlantic Ocean on April 12th, 1980 and proceeded to unite Canadians in a way never before, nor since, seen. The only thing that could have stopped Terry from reaching the Pacific Ocean did. Cancer returned in his lungs and he was forced to stop on September 1st, 1980 after having run 5,373 kilometers. Eighteen-year-old Terry Fox of Port Coquitlam, BC never saw himself as remarkable. Granted, he displayed an unusual determination to achieve the goals he set for himself but his orbit was local - family, school, sports and friends. But Terry's cancer diagnosis of osteogenic sarcoma just above the knee, the subsequent amputation of his leg and experience in the children's cancer wards changed all that. A newly nurtured reservoir of compassion, combined with a fierce determination to bring an end to the suffering cancer causes, set Terry on a path that, quite simply, changed the world. Before his death on June 28, 1981, Terry had achieved his once unimaginable goal of \$1 from every Canadian. More importantly, he had set in motion the framework for an event, **The Terry Fox Run**, that would ignite cancer research in Canada, raising more than \$850 million since 1980, and bring hope and health to millions of Canadians.

Terry's own vision of raising funds and awareness for cancer research. To honor Terry's legacy, there are several fund raisers taking place within the park over the next several days. I do not know of anyone whose life has not been touched by cancer. Please be generous. Here are a few of what is happening: **Eddy Nolan's Online Fundraiser** you can go online to donate directly to Eddy's goal here:

With a lot of our families here at Blue Haven being from Canada, it has become quite the tradition to do some fundraising here. One individual in particular has inspired many by simply following Terry's lead - **Eddy Nolan**. Many of you know him as our resident fisherman is a cancer survivor himself who has also dedicated a lot of his own life to following

- **Kids Softball** - Beautiful and a little warm day for Kids Softball and still managed to play 7 innings but a small turnout of 12 kids. Very exciting and good game as the 'Ninja Turtles' scored 5 runs in the bottom of the 7th inning to win the game by a score of 29-28 over the 'Rugrats'. The game was highlighted with

two grand slams by Hagan McManus and Cayden Paiement of the "Ninja Turtles" but also think we had the "CATCH OF THE YEAR" by Nash McManus of the 'Rugrats'. With these accomplishments we still have to give MVP honors to Zander Brown of the 'Ninja Turtles' who had 6 hits and scored 4 runs and also MVP to Jordan Cordella of the "Rugrats" who himself had 6 hits and 5 runs scored. Congratulations and honorable mention to Riley Budlong of the "Ninja Turtles" and also to Stefano Stivaletta, Aaron Furman, Connor Furman, Ethan Furman and Nash McManus of the 'Rugrats'. So here we are coming up to the final game of the year for kids softball and how the season has passed quickly . The "Final Championship game" to held on Sunday, August 28th, 2022 at 10:00 a.m. followed by the banquet.
