Saint Jean Baptiste Day

is held annually on June 24, is the feast day of St John the Baptist, a Jewish preacher who baptized Jesus in the River Jordan. It is a day of celebration in Quebec and other areas of French Canada. The Nativity of St. John the Baptist - his feast day - is celebrated on June 24th. Hosting a bonfire or having a campfire with your family is a simple and wonderful way to celebrate this special saint this summer!

St. Jean Baptiste

Congratulations to our Seniors!

This week marks the end of another school year for our local students. This marks the official start of Summer and typically brings more frequent campers in the park. For our Seniors, this might be the end of one chapter but also the beginning of the rest of their lives. Congratulation to everyone and a special mention to one of our own staff - Our lifeguard Kollin Christensen who graduates this weekend!

Free Fishing Weekend - June 24-25

The last full weekend in June is designated as "Free Fishing Days" here in New York. This means anyone can fish the fresh waters of the state without a fishing license, making it a great opportunity to give it a try for the first time, introduce someone new to the sport, or reconnect with this fulfilling pastime.
