

BOIL WATER ORDER HAS BEEN LIFTED

As per the Clinton County Health Department, our water sampling has passed all of the required testing and is safe for consumption.

SOUTH BRIDGE - is open to **MOST** traffic - we ask that any heavy vehicles OR vehicles towing a trailer to go around and use Cold Springs Road bridge to cross the river.

Thank You! This seems to be the phrase of the year! There has been a LOT of people chipping in to help their neighbors and Campground Staff alike. This has been a tough week for everyone and we have made a lot of progress. Please see our Blog post for the most recent details about our recovery efforts.

Site Rent - All site rent for 2023 is now overdue and we have now added interest to the accounts that have not been paid.

Sad News - We recently received notification from her daughter asking us to let people know that a former long time camper here at Blue Haven has passed away. Loretta Kershaw is described as a very kind person who was friend to many.
