HAUNTED TRAIL - I hope everyone enjoyed the trail this year, it was a lot of work. I would like to give a big shout out to Larry Barnaby and his crew for cutting the trail. This is something I've been wanting to do for a very long time. Larry even took time off from his regular job to help make this happen. His crew consisted of Louis Bizlotis, Jim Jewtrew, Frank Dashnaw and his amazing boys Jackson and Frankie, Jacob and Josh McGoldrick, CW Claksky and Larry Wood. When you have an event outside it's really hard to decorate beforehand. So. All of you that showed up Saturday morning and stayed throughout the day, including Cheryl Mooers for getting us lunch I appreciate all of YOU!! Judie Fallon for getting me and all my Halloween totes organized to make the decorating of the trail easier. To those that helped with the clean up that night and the next day, I APPRECIATE you!! With me having surgery this year and only having 1 working hand it all came together. I hope I didn't forget anyone because every person was needed to make this event happen.
