

Warranty Coverage

The intent of this document is to provide general guidelines that govern aspects of the Forest River, Inc. warranty program. Please refer to the limited warranty that can be found inside the front cover of the Forest River Recreational Vehicle Owner's Manual for additional warranty coverage information.

Forest River, Inc. warrants only to the original consumer purchase for a period of (1) one year from the date of purchase. Motorized vehicles are warranted for a period of (1) one year from the date of purchase or (12,000) twelve thousand miles, whichever comes first. The warranty period applies only to units used for recreational travel and family camping.

What is covered? – Defects in material and workmanship caused by Forest River, Inc.

What is not covered?

- 1. Adjustments – The following adjustments will be covered for a period of 90 days after retail purchase:**
 - A. Cabinet doors**
 - B. Cabinet drawers**
 - C. Latches**
 - D. Entry doors, steps and striker plates**
 - E. Awnings**
 - F. Loose trim**
 - G. Slide out adjustments**
- 2. Brake adjustments**
- 3. Fuses & light bulbs**
- 4. Any product not registered and normally used in the United States or Canada.**

- 5. Any trailer registered, licensed, or predominately used outside the USA or Canada without prior approval.**
- 6. Components that are warranted separately by the manufacturer of the product, i.e. appliances, chassis, tires, batteries, generators, and furniture.**
- 7. Any product used for commercial purposes, such as a permanent residence or as a rental unit. All rental units will be subject to the warranties offered by the component manufacturers as listed in item # 6 of the document.**
- 8. Window glass breakage (unless noted on Dealer Acceptance Form).**
- 9. Lubrication & minor adjustments of locks, latches, hinges, slide-out gears, etc.**
- 10. Rust, corrosion, oxidation, dents and other damage as a result of environmental conditions such as, but not limited to: heavy winds, hail, lightning, salt and sand.**
- 11. Fading or normal deterioration of items such as fabrics, decorative items, carpet, etc. due to use or exposure to the sun.**
- 12. Cleaning of undercarriage/frame - Units being delivered during winter months are likely to have been exposed to highway salts and chemicals. It is the responsibility of the dealership to wash the frame and undercarriage of the unit when it arrives to prevent the frame and undercarriage from rusting or oxidizing.**
- 13. Damage/fading of the exterior caused by chemical cleaning or lack of proper maintenance of the exterior.**

- 14. Normal unit maintenance, such as inspecting and resealing exterior seams, including roof seams.**
- 15. Damages caused by abuse, misuse, negligence, condensation, overloading, vandalism, collision, road hazards, acts of nature including hail, wind, heavy rain damage, flood, rock chips, alterations or modifications, improper non-warranty repairs, lack of normal maintenance, failure in giving prompt notice of water damage, improper operation or storage of components.**
- 16. Subsequent damage, loss or injury beyond warranty repairs as a result of mold or fungi.**
