ONLY WARRANTY

This New Vehicle Limited Warranty ("NVLW") is the sole and exclusive warranty applicable to this motorhome made or authorized by Winnebago Industries, Inc. ("Winnebago") and provides coverage so long as the motorhome is used exclusively for recreational purposes in the U.S.A. or Canada.

Promise to Repair:

Basic Coverage

Winnebago supplied and installed parts: Winnebago promises that any part of this motorhome - except those identified in paragraph entitled, "**Excluded from Basic Coverage**" - found to be defective in material or workmanship shall be repaired or replaced at no cost to the owner for parts, material, or labor so long as the motorhome has been used exclusively for recreational purposes and maintained as recommended in the Operator's Manual.

Excluded from Basic Coverage: Parts, accessories, or equipment installed, or modifications or alterations made after the motorhome leaves the factory, including items installed and modifications or alterations made by a Winnebago dealer or third-party; a motorhome used for a purpose other than recreational use; a motorhome used outside the U.S.A. or Canada; recommended maintenance or adjustments; service or maintenance items (such as, seals, sealants, windshield wiper blades, lubricants, fluids, and filters); replacement parts and repairs required because of improper load distribution, accident, collision, vandalism, abuse, misuse, neglect, fire, flood, normal wear, or improper or inadequate maintenance, rust or corrosion, exposure to the elements; a part or component covered under a warranty issued by its manufacturer (for example, the chassis, drivetrain, wheels, tires; electronics and appliances); and, except as noted, costs incurred in transporting or presenting the motor home for repairs or service under this NVLW.

Basic Coverage Period: Basic Coverage begins on the date of retail delivery, or the date on which the motorhome is first placed into service as a demonstrator or company vehicle, whichever is earliest. Basic Coverage ends after 12 months or when the vehicle's odometer registers 15,000 miles (24,135 kilometers), whichever is sooner.

Who may obtain Basic Coverage repairs: Any person who owns this motorhome during the Basic Coverage Period.

Structural Coverage

Winnebago promises to cover material and labor costs necessary to repair delamination (separation of layers) of the motorhome's floors; and delamination of the sidewalls or back wall resulting from a failure of the Body Thermo-Panel Lamination process (that is, the process used to bond the exterior skin and the interior paneling to an insulating core material).

Structural Coverage ends 36 months from the date the vehicle is delivered to the first retail purchaser or first placed into service as a demonstrator or company vehicle, whichever is earlier, or when the vehicle's odometer registers 36,000 miles (57,924 kilometers), whichever event occurs first.

Who may obtain Structural Coverage repairs: The first retail purchaser of this motorhome.

Obtaining Warranty Repairs

Except as otherwise provided herein, to obtain warranty repairs, you must, at your own cost, present your motorhome to an authorized Winnebago service facility during normal business hours and provide a written list of items to be inspected or repaired to the service facility and Winnebago. In the even you feel the repairs made by an authorized service center failed or are otherwise inadequate, you must contact Winnebago Owner Relations in writing and advise them of the failure or inadequacy, including a list of the defects, and provide Winnebago an

opportunity to repair the motorhome prior to claiming a breach of this warranty. Winnebago may require you to deliver the motorhome to another authorized service center or its facilities in Forest City, IA. If Winnebago requests you to bring the motorhome to Forest City, IA, Winnebago may cover the reasonable cost of transporting the motorhome to and from Forest City, IA. Refusal to allow Winnebago an opportunity to repair the motorhome voids warranty coverage for that repair.

Required Maintenance: As owner, you are solely responsible for maintaining the motorhome as recommended and for all associated costs. Repairs necessitated by an owner's failure to maintain the motorhome as recommended are not covered under this NVLW. If requested, you must provide records showing that the motorhome has been maintained as recommended in the Operator's Manual.
