HACX Round Top Car Hauler

SUPER LOCK™. Interlocking Exterior Aluminum system -unique to Haulin Trailers, lasts longer, looks much better, won't rust. The .030 interlocking aluminum panels are glued and mechanically fastened with fewer exposed screws.

Our standard primer, paint and Z-Tec™ coating provides superior chassis protection for longer, trouble-free life.

- 6" I-Beam Frame on TA2 and TA3 up to 24' Long
- 8" I-Beam Frame on TA3 over 24' Long
- 8" I-Beam Frame on TA4, TA5, and TA6 Model

New generation LED exterior and interior lights -standard. Engineered for superior performance, LEDs are smaller in size but brighter and more energy efficient than traditional incandescent light bulbs and create very little heat.

All models have DryMax™. Engineered Flooring, and walls, standard. These high performance engineered panels resist moisture and chemicals -will not absorb moisture, swell, warp, or delaminate. Stronger and stiffer than plywood.

*Emergency roadside assistance requires your spare tire.
