HOLIDAY RAMBLER

*#thisisliving*

**Holiday Rambler and Freightliner Custom Chassis have teamed up to bring you the ultimate in luxury, power and performance.**

**Introducing the all-new Delta Foundation.**

The Delta Foundation combines the unrivaled strength and storage capacity of Holiday Rambler's exclusive design with the high-performance innovation of a Freightliner chassis—all backed by the nation's largest service support network. The new Delta Foundation brings performance and peace of mind together, perfectly.

*Freightliner Custom Chassis XCR is the foundation for the Holiday Rambler Nautica.*

DriveTech rolls together FCCC's latest innovations—like the OptiView all-digital LCD dash display and FCCC's all-new ergonomic steering wheel and column-mounted controls—into one comfortable, easy-to-use driver console.

HOLIDAY RAMBLER

**We build strength and quality from the inside out.**

Holiday Rambler's exclusive Powerlock™ system is integrated into all Holiday Rambler Class A Diesel models.

**Increased Storage:** Oversized pass-through storage re-engineered with slide rails integrated into the floor, creating more storage space and easier access.

**OPTIVIEW**

OptiView is the RV industry's first LED instrument cluster, featuring bright, clear graphics, colors and menus. Bluetooth® connectivity and on-demand operation add convenience and control.

**RV OWNERCARE**

Limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge.

Chassis Warranty provided by Freightliner Custom Chassis Corporation.

**DRIVETECH**

DriveTech's ergonomically-designed steering wheel and easy-to-reach, column-mounted controls turn piloting your RV into a driver-friendly automotive experience.

**Wedge Tank Design:** Wedge-shaped holding tanks ensure thorough drainage of black and grey water.

Basement floor lined with water resistant polyethylene which is lightweight, durable thermoplastic

All steel step well carriage

**ADDITIONAL FEATURES**

- A Premium SACHS® Shocks** increase comfort, safety and dependability.
- B Dual-Side Fuel Fills** provide high-flow access to the 100-gallon fuel tank from either side of the RV.
- C Impressive Towing Capacity** with integrated receiver hitch rating of 10,000 offering a wide range of towing capabilities.\*
- D Central Protective Raceway** houses air, hydraulic and electrical lines while providing easy access.
- E Michelin® Tires w/Polished Aluminum Wheels** give you on-the-road performance and let you arrive in style.

\*Please refer to manufacturer supplied weights to determine towing capacity per unit.

## It's a shore thing.

There's nothing more relaxing than feeling the sun on your face, the sand between your toes and the fresh ocean breeze in your hair. Unless you're spending the day in the all-new Holiday Rambler Nautica. The console is outfitted with a DriveTech steering wheel and OptiView™ instrument cluster, to put you at ease around every turn. A 360-degree window treatment surround turns the living quarters into a private escape, while design details like a glass tile backsplash, stainless farmhouse-style sink, and white cabinetry option make it feel like a breezy seaside cottage. To make every day as easy as a day on the beach, the Nautica includes full pass-through exterior storage and a hood design that offers generator access. # NAUTICA TOP FEATURES

**CONVENIENCE COMES STANDARD**  
Top-mounted automotive-style windshield wiper system, remote power and heated mirrors w/turn signals and side cameras. Standard with air conditioner: (2) roof-mounted high-efficiency ducted 13,500 BTU w/chill grill and can upgrade to 15,000 BTU.

**FIRST-CLASS RESIDENTIAL AMENITIES**  
Relax in style with modern, luxurious furniture designed exclusively for Holiday Rambler. All floorplans come standard with an electric fireplace. Shown here is the optional motion power lounge.

**HIDE-A-LOFT™ DROP DOWN BED**  
Invite more guests on your road trip without compromising space featuring industry-leading headroom and up to 500 lb. capacity. The queen bed is comfortable space for adults and kids includes a 32" LED TV.

**SLEEP LIKE ROYALTY**  
Each Nautica comes standard with a king size articulating bed, with a Wolf® mattress. Bedside remote generator start button located next to the bed. C-PAP machine storage is located in the cabinetry above the bed to stow away your machine and easily access the hose.

**AQUA-HOT®**  
Experience even, quiet heating and on-demand hot water with the Aqua-Hot 2500 system.

**GENEROUS BASEMENT STORAGE**  
Take along more of what you need and bring home more of what you want, with deep, easy-to-clean slide-out trays.

**RESIDENTIAL APPLIANCES GALORE**  
Stainless steel residential size refrigerator, stainless steel over-the-range 1000W convection microwave and two burner high-output induction cooktop. A deep stainless steel farmhouse sink with residential single-handled faucet with pull-out sprayer and polished solid-surface sink covers.

**AUTOMOTIVE STYLE WRAP AROUND DASH**  
Luxury is what defines the Nautica. The automotive style wrap around dash, LED Optiview instrument panel and 7" backup color monitor leaves you in command.

**50-INCH EXTERIOR LED TV & SOUNDBAR**  
This feature adds an extra outdoor TV room with a 50-inch LED TV and exterior JBL soundbar with Bluetooth®. Standard on all floorplans.

### DISCLAIMER

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity\*.
  2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
  3. GCWR (Gross Combined Weight Rating) is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Holiday Rambler and chassis manufacturer's manuals for complete information.
  4. Length measured from front bumper to rear bumper (excludes accessories).
  5. Excludes safety equipment and awnings.
  6. Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
  7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- \* The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
- \* UVW and OCCC are found on the label containing the federal certification tag in each RV.  
 \*\* The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1000lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.  
 \*\*\*All 2021 REV Recreation Group motorhomes include a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

YOUR LOCAL DEALER

About REV Group, Inc.

REV Group® (REVG) is a leading designer, manufacturer, and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial, and Recreation. We provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers) and consumer leisure (recreational vehicles). Our diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at [www.holidayrambler.com](http://www.holidayrambler.com) or contact your local Holiday Rambler dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Holiday Rambler has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
