*"By signing the Trade-in Value Assessment, the Customer represents that their assessment is a fair and accurate description of the condition of the Camper that they wish to Trade, and acknowledges that Recreation USA LLC are taking their assessment at face-value and using this description to calculate the value of the Customers Trade. If on physical inspection by Recreation USA LLC, this condition report does not accurately represent the condition of the trade, Recreation USA LLC will re-calculate the Trade value to reflect the true condition of the Trade, and incorporate the revised Trade valuation into the deal."*
