If you love the CX 18 S but want a little more power and upgraded features, the CX 18 SS model comes fully packed with a high-performance level to suit your style! The CX 18 SS will provide you with solid top-end speed, an extremely stable platform while fishing, and butter soft ride in subpar conditions, while keeping you bone dry.

We know how important it is for fishermen to bring all the tools they need to the water with them, which is why we took advantage of every inch of this boat with the storage and overall layout, including a massive center storage compartment on the front deck.

In addition, the CX 18 SS includes extended legroom at the driver's console, Surf-Turf cockpit flooring, molded-in trolling motor wedge, livewell hi-speed pickup (optional), built-in shock absorbing suspension system with custom upholstery colors to match your boat, and much more. As a big upgrade from its standard model, the CX 18 SS comes with a 150 HP engine, with the ability to upgrade to a 175 HP engine.

When you choose Caymas, you're getting innovation, high-quality manufacturing, and the latest in design technology. Check out the CX 18 SS at your closest dealer today!
