LENGHT ON TRAILER (Motor down, tongue swung in) _____	24'

CAYMAS CX 20 PRO: Geared toward hardcore tournament anglers who demand uncompromising fishability and blistering performance, the Caymas CX 20 PRO by bass boating legend **Earl Bentz** is perfectly sized for sneaking into shallow backwaters where unpressured lunkers lurk. The hyper-efficient Caymas hull delivers a butter-soft, bone-dry ride in rough water while guaranteeing an instant hole shot, awesome acceleration, and searing top-end performance. The CX 20 PRO sets the bar in bass care and transport with the exclusive Caymas Hi-Speed Livewell Pickup System, an ingenious innovation that actually pushes water into the massive independent livewells, cradling your catch during those long runs to the weigh-in stand. The massive front casting deck is padded for all-day comfort, and the cavernous fiberglass storage compartments are waterproof. In addition to the CX 20's long list of standard equipment (including a powerful 36-volt Minn Kota Ultrex trolling motor with Spot-Lock; capability to flush-mount large electronic units at both console and bow; and a premium tandem axle trailer with brakes, maintenance-free hubs and swing tongue), **the CX 20 PRO bundles several of today's most demanded tournament equipment options into one premium package!** Besides the CX 20's extensive list of standard equipment, the PRO package enhances your competitive edge by adding **two Lowrance HDS-9 LIVE electronics units** (flush-mounted at console and bow), **state-of-the-art Oxygen Innovations livewell system, powerful Dual Pro 4 x 15 battery charger, keel protection, CX 20 custom boat cover, and dual trailer disc brakes!** (NOTE: Trolling motor or Electronics may be deleted if desired.) Experience the new **Caymas CX 20 PRO** at an authorized Caymas dealer today!

PRO MODEL FEATURES:

- Lowrance Ghost 47" trolling motor
- Lowrance® HDS 9 LIVE at console
- Lowrance Point-1 antenna
- Ethernet cable
- Keel protection
- Dual disc brake upgrade on trailer
- Lowrance® HDS 9 LIVE at bow
- Lowrance® 2-IN-1 Active Imaging
- NEMA harness
- Oxygen Innovations livewell system
- Custom boat cover
