Live fearlessly. Let us worry about the rest.

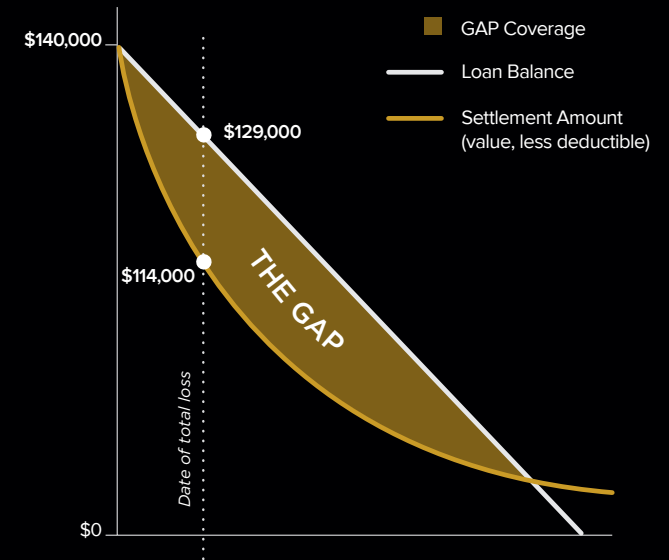

EasyCare's Benefits Ensure a Carefree Traveling Experience.

EasyCare GAP

- Covers up to \$50,000 of the gap between your insurance settlement and your loan balance.
- Covers up to \$1,000 of your insurance deductible.
- Covers loan amounts up to 135% of your RV's value, which leaves room to include other investments, such as a vehicle service contract*.
- Is available on loans up to \$500,000.
- Protects your investment for up to ten years.

*Loan to value may vary by plan; see your EasyCare dealer for specific terms.

EasyCare GAP protection can only be purchased at the time you finance your new or used vehicle, and will amend the terms of your finance agreement.

Let's put this into perspective: At the time of loss, your loan balance is \$129,000. The insurance company places the RV's value at \$115,000. After a \$1,000 deductible they provide a settlement of \$114,000. You still owe \$15,000 on an RV you can no longer utilize.

EasyCare RV GAP takes care of that expense.**

**GAP Coverage may vary by state or lender and may be reduced subject to terms, conditions, exclusions and state-specific language; see your EasyCare dealer for the actual contract.

**EasyCare is the industry's only MotorTrend®
Recommended Best Buy, and carries an A+ rating
from the Better Business Bureau.**

Ask your dealer representative for the actual contract for complete terms, conditions, exclusions and state-specific language. Purchase of this coverage is optional and is not required to qualify for financing.
