Springdale

(Cover Photo)

Springdale's 266RL-SSR travel trailer, shown here in Sedona Sunrise interior, truly combines livability with towability. The large 40 x 72 inch rear lounge picture window coupled with our SSR slide room design provides an open, spacious feel not common in a travel trailer at this length. With a longer overall slide room, this SSR model is able to provide an incredible 87" U-shape dinette, as well as a full size sofa. By maximizing the overall interior living space, this model is able to keep its length and weight down within the range of most properly equipped half ton tow vehicles.

Springdale gives you more for your money!

Springdale's 266RL-SSR travel trailer, shown here in Palm Canyon decor, is packed with details that will make your RV experience comfortable and convenient. This model features our new super slide room designed for greater living space. Over-sized windows provide a brighter, more open feeling while comfortable rear lounge chairs are perfect for relaxing, socializing and viewing your 26" LCD flat screen TV. You find an abundance of storage throughout the 266, including above the full sized sofa and under the super sized U-shape dinette. The LCD Television is perfectly located for viewing throughout the coach and can be rotated 180 degrees into the master bedroom. Whether you are a new or an experienced RV enthusiast, Springdale offers you the perfect combination of form and function.

Springdale was designed with one main goal—Incredible value for your dollar. With Springdale, you will find that you don't have to spend a fortune to have all the conveniences and features that you want. With our hard earned reputation for quality at an affordable price, the Springdale team takes great pride in our work. We use only high-grade building materials and we feature top brand-name appliances in creating our products. Springdale is one of the most respected names in the RV industry.

In fact, Springdale has received the DSI Quality Circle Award from the National RV Dealers Association. This prestigious award is based on the results of an industry wide dealer satisfaction survey of RVDA member dealerships and ranks dealer satisfaction in areas of vehicle design and reliability, competitive advantage, and sales and service support. We invite you to find out for yourself why customers everywhere are choosing Springdale. We appreciate your interest. See you in the great outdoors!

Springdale's 291RK-SSR travel trailer, shown here in Cranberry Mist interior, brings you richness and style previously unheard of in an RV at this moderate price point. Notice, for example, the sculpted lounge chairs, curved dinette backs, fresh window treatments and mortise and tenon cabinetry. The spacious lounge area is completed with a panoramic view through a 40 x 72 inch picture window. Springdale's 291 also excels when it comes to function, like interior cabinet storage and an abundance of counter top space. The efficient kitchen offers matching appliances, an extra large deep bowl sink with a high rise faucet, and upgraded linoleum flooring. When it's value you seek, choose Springdale.

294BHSSR Outdoor Kitchen

This bunk house floor plan combines all of the features of our hugely popular SSR Models with a fully functional outdoor kitchen. The outdoor kitchen comes complete with a fold away two burner gas cook top, sink with hot and cold water, large over head cabinets, plenty of counter space and a 4.3 cu. ft. refrigerator. Just another example of Springdale giving you more for your money!

Springdale's Superior Slide Out System

1 The Exterior Bulb Seal is built in, not Taped on to the Slide Room Perimeter. When the Slide Room is in, this Bulb Seal Creates a Water Barrier.

2 When the Slide Room is Extended, the Interior Slide Room Fascia and Interior Bulb Seal Creates Another Water Barrier.

3 The Exterior Wiper Provides Yet Another Water Barrier Around the Perimeter of the Slide Room.

4 The C-Channel Behind the Wiper Catches any Driving Rain that may Get Past and Directs it away from Your RV.

5 Your Slide Room is Engineered with a Sloped Roof Line. This Design also Directs Water Away from Your RV.

Dollar for Dollar, the Best Value on the Market Today!

Springdale travel trailers and fifth wheels are manufactured at our facilities in Goshen, Indiana and Pendleton, Oregon. Among our product lines, Springdale has evolved to become our greatest value in towables, especially for young families, or anyone who requires a lot of space at an economical price. We take pride in each model we deliver. Each Springdale is made with care and craftsmanship. Springdale has become one of North America's best selling lines of recreational vehicles because it offers so many features at such a good price. This quality has earned Springdale national recognition as a value leader among all products in the U.S. marketplace today. Springdale, "More for your dollar."
