- Water heater with motoraid
- Curbview window
- Winnebago's® legendary SuperStructure® construction design

On the Cover: 30T Dark Spiral Gray Full-Body Paint

30T Rockslide with Coffee-Glazed Vienna Maple Cabinetry

Step Up to Class A Living

You appreciate a great value, but you also appreciate some of the finer things a Class A coach can offer. Say hello to the Vista® LX. It combines the value and uncompromising quality of Winnebago® that made the Vista so popular, with additional standard features and four unique floorplans that raise the bar for feature-packed motorhomes. Triple sliderooms (NA 35F)

open up new avenues for features such as bunk beds in the 35B and a dining table/buffet with a retractable HDTV in the 30T. Popular amenities include Corian® galley countertops, sink covers, raised panel refrigerator inserts, and much more. All this at a friendly price makes the Vista LX the introduction to Class A living that you deserve.

2016 MotorHome
READERS' CHOICE
WINNER
Class A

30T Rockslide with Coffee-Glazed Vienna Maple Cabinetry

The Vista LX treats you right with four floorplans built around a relaxing lounge with an HDTV. The 35F refines the art of relaxation with the extendable sectional sofa in soft Primera upholstery, perfect for binge watching season after season of your favorite shows. A classic dinette comes standard, which can be upgraded to the BenchMark® dinette with spring seating, hidden storage, and the Dream Dinette™ table. For extra sleeping space, add the new, larger StudioLoft™ bed that stays tucked away in the ceiling until you need it. It's the perfect solution for those who travel with family or friends.

Front Wraparound Curtain

30T Passenger Seat Reclined with Footrest

30T Galley

The galley shines with abundant cabinetry and gorgeous Corian countertops. Standard appliances include a microwave oven, two-door refrigerator/freezer (freezer NA 35F), and a three-burner range that come with your choice of storage or an oven below it. Enjoy standard galley amenities such as a range cover, sink covers, cabinet wood refrigerator door inserts, and a flip-up countertop extension (NA 27N). A microwave/convection oven is available in all floorplans and a residential refrigerator/freezer is standard in the 35F so you can stock up on fresh and frozen foods.

Corian Sink Covers

30T Full-Extension Drawers

30T Refrigerator/Freezer

30T Microwave/Convection Oven

30T Bedroom

The private master bedroom is designed to provide a welcomed escape that includes a walk-around queen bed, plentiful wardrobe space, and an available HDTV. Both 35-foot floorplans feature a private master bathroom with the exclusive BIG Shower—the roomiest shower on wheels. If you travel with family or friends, check out the 35B, which boasts bunk beds with available monitors, individual DVD players, and headphones to keep everyone entertained.

30T Under Bed Storage

30T Shower

30T Bathroom

Dash

Relax and enjoy the ride from the fully adjustable Versa driver's seat that swivels to become an equally comfortable lounge chair. From the cab seat you're in total command, with the 6.2" touchscreen monitor within reach. It features a rearview monitor, stereo, DVD player, iPod®/MP3 input, Bluetooth® connectivity, and a handheld remote. Upgrade your comfort with a six-way driver's seat power pedestal and a passenger seat with footrest. A sideview camera system is also available to help make lane changes a breeze.

Passenger Dash Workstation
with 12V USB Charging PortsPowered Mirrors with Defrost
and Available Sideview Cameras

30T Powered Patio Awning

Strike a bold pose by selecting full-body paint to adorn the premium high-gloss sidewalls. For protection, add a lower front protective mask to keep the front of your coach ding-free. Storage is not only abundant, but it's easy to access with paddle latches that hold securely with dual latching points. For extra outdoor fun, add the exterior entertainment center with an HDTV, AM/FM stereo, DVD player, and remote (NA 30T).

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Rubber Can't Cut It

Rubber roofs used by competitors can streak and degrade over time.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating

An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing

Precision laser cutters create precision joints in structural steel that are stronger and require less welding.

Interlocking Joints

Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Structural extruded aluminum creates an extremely strong solid frame.

SUPER STRUCTURE®

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction design. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE

We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**

Warranty⁷

12-month/15,000-mile basic limited warranty⁸

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
- Floorplans feature a wide-body design - over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- See separate chassis warranty.
- See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
