MORE STANDARD FEATURES MORE VALUE

THIS IS THE SOUL OF RVING

Everything we put into our RVs is designed not only to help you hit the road in comfort and style, but to also help you make memories with family, friends, and fellow travelers along the way. We don't just build and sell RVs—we have the industry's best RV warranty, 100% pre-delivery inspection, and are the leader in parts and service.

While other manufacturers offer features as options, we prefer to make those same features standard. **We've built a reputation for bringing RV owners more standard features for less money for more than 35 years, and it's a reputation we plan to keep.**

100% Pre-Delivery Inspection

At Dutchmen, quality is standard. Every single RV that comes off the line receives its own pre-delivery inspection—a thorough 253-point check to ensure accurate measurements, as well as fully-functional electronics and components.

The Industry's Best RV Warranty

Our industry-best 3 Year Warranty means you don't have to wrangle over the details. We deliver value by clearly outlining the major components we back for the first three years.

The Leader In Parts & Service

Replacement parts. Routine checkups. Expert advice. We've got it all covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road—and stay there longer than ever before.
