Estimates provided are an approximation of timing and charges to you for the services requested. They are based on the anticipated work to be done. It is possible for unexpected complications to cause some deviation from the original quote. Shipping costs may be charged on heavy, oversized or special order items. You hereby authorize the work described in this estimate to be done along with the procurement of the necessary material(s), including permission to operate the vehicle for on-road testing or inspection. If any additional repairs are required, we will prepare a revised work order providing the cost of additional parts and labor and total revised cost. All parts are new unless specified otherwise. Alignment is recommended after any suspension upgrades. You agree that you have reviewed product listings on the OwlVans.com website for detailed information on your specific items to ensure you have the proper options selected.

--------------------------	--------------------

Deposits are non-refundable. No returns or refunds on special ordered items or electrical parts. Cancellations may incur a re-stocking fee. Refer to OwlVans.com website warranty pages for warranty information and terms and conditions. There is no warranty for used parts or customer supplied parts.

You agree that we are not responsible for loss or damage to your vehicle, including loss of articles left in the vehicle, including, without limitation, in case of fire, theft, weather or any other cause(s) beyond our control. We are not responsible for any delays caused by unavailability of parts or delays in delivery of parts by the supplier or transporter.

We are not responsible for any extra expenses that may be incurred while vehicle is in our possession for installation or repairs (lodging, transportation costs, towing, travel, loss of pay or any other consequential expense). Storage fees of \$100 per day may be incurred for any vehicle not picked up within 72 hours of completion notification unless arrangements have been made in advance.

Customer acknowledges, a request for parts return must be made prior to work being performed.

You have the right to know before authorizing any additional work, what that work will be and what it will cost. If required work exceeds the authorized estimated amount, we must obtain your approval to perform the installation. We will keep you informed and perform only work authorized by you.
