Thank you for your business. The work is complete and your payment is due upon pickup of the vehicle. Mechanics liens may be placed on vehicles until invoice is paid for in full.

Storage fees of \$100 per day may be incurred for any vehicle not picked up within 72 hours of completion notification unless arrangements have been made in advance. Please contact us promptly if you have any questions about anything we did.

Owl carriers should be properly maintained to keep them functioning well. We recommend that you regularly check and tighten the bolts that connect the carrier to the MB hinges.

Alignment is recommended after any suspension upgrades.

Refer to OwlVans.com website warranty pages for warranty information and terms and conditions. There is no warranty for used parts or customer supplied parts. In the event of a warranty issue on installation you must contact an Owl Offroad Installation Center prior to performing any warranty related work.
