

INTRODUCING THE

BAJA

SERIES
by ROSSMÖNSTER

BAJA SERIES

Rossmönster's Baja Truck Camper Series consists of three distinct editions - the EX (expedition), the LX (luxury), and the Plus+ (a larger camper and chassis).

Designed to explore where others can't, the Baja Series redefines the truck camper experience, delivering an unmatched driving experience and off-road capability as well as an interior that promises to elevate any adventure.
