What is ABSOLUTE NORTHWOOD?

Our Commitment to:

QUALITY
STRENGTH
DURABILITY

When you purchase an Arctic Fox, you are investing in the best quality materials, construction and craftsmanship. That is why the resale value in an Arctic Fox remains higher, and your investment retains its value longer. If you ever decide to trade in your Fox, you will get top dollar. That is why you don't see many used Arctic Foxes on the market, folks buy them up as quickly as they become available because Arctic Fox has a reputation for durability and longevity.

CHASSIS
Custom Built, Tested, Certified

FRAME
Thick Wall Aluminum w/Solid Anchor Blocking

ROOF
Full Walk On, Bonded Roof Truss System

CABINETS
Wall & Ceiling Mounted, Face Frame Construction

INSULATION
A True 4 Season Coach

NORTHWOOD BUILT CERTIFIED CHASSIS

WE BUILD OUR OWN HEAVY DUTY STRUCTURAL STEEL OFF-ROAD CHASSIS

We are one of the few manufacturers that build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing laboratory for quality assurance.

THICK WALL TUBULAR ALUMINUM SUPERSTRUCTURE

.060"-.125"
(Up to 1/8" Thick)
heavy gauge thick wall aluminum tubing in our travel trailers & fifth wheels.

SOLID CORE ANCHOR BLOCKING AND CONTINUOUS WELDS

Now that's an **ABSOLUTE** Quality Superstructure!

BONDED ROOF TRUSS/ FULL WALK-ON ROOF

BONDED ROOF TRUSS SYSTEM WITH CATHEDRAL ARCHED CEILING

UP TO 4" OF EXTRA HEADROOM

The Northwood Bonded Roof Truss System bonds all the components of the roof structure together as a unit. The ceiling, trusses and roof plywood are unified in a bonded system that gives superior load distribution and maximum load bearing capacity.

Top quality exterior grade plywood panels are bonded to the trusses and a thick one piece roofing membrane is then applied for a durable, long lasting seal to protect you and your coach from the elements.

Northwood's Bow Trusses

5-1/2 inch center height gives the roof plenty of runoff slope to eliminate standing water.

CUSTOM BUILT FACE FRAME CABINETS

CABINETS W/SOLID WOOD DOORS,
BUILT USING RESIDENTIAL FACE FRAME
CONSTRUCTION METHODS &
INTEGRATED WITH THE WALL & CEILING.

BEAUTIFUL & STRONG

Solid Wood
cabinet doors ensure
lasting beauty and
rugged strength.

Face Frame
construction gives our
cabinets 'high end'
residential quality.

Structurally Integrated
cabinetry is
anchored to the
walls and ceiling
structure of our
coaches making both
the RV and the
cabinets stronger.

A TRUE FOUR SEASON ALL CONDITIONS UNIT

HEATED ENCLOSED HOLDING TANKS & DUMP VALVES DESIGNED FOR COLD NORTHERN & HOT SOUTHERN CLIMATES

Northwood builds true 4-Season Coaches. Our fully insulated holding tank area circulates warm air around the suspended tanks providing the best protection from freezing. Our knife valves are also enclosed to keep them from freezing.

Our 4-Season coaches are insulated with various types of residential quality Rigid Foam, Batten & Reflective Foil insulation to protect you from the winter cold & summer heat.

- 36 Extra Large 'Starlite' Bedroom Skylight
- 37 Large Skylight
- 38 Hi Output Roof Mount A/C
- 39 Roto Molded High Durability Wheel Skirts
- 40 Diamond Scored Sidewall Skirts
- 41 Front Plate Gravel Guard

Arctic Fox is a True Four Season Coach

Our Northwood Built Chassis are Independently Tested & Certified by Pacific West Associates, Inc.

Dave and Kimberly

ARCTIC FOX

Photo was taken a few days ago of our 2015 Arctic Fox crossing the Arctic Circle on the Dempster Highway that leads to Inuvik in the Northwest Territories, Canada. This is the beginning of a trip that will start at the Arctic Ocean in June and also take us to both the Pacific and Atlantic Oceans this summer and fall.

Unfortunately the truck and trailer are quite dirty, but show a bit of a testament of the challenge this trip and the Dempster highway was for the unit. No issues with the unit other than the layers of dust and mud from the final stretch of 735 kilometers of mountain gravel road.

Conrad and Margery Baetz
